Loyalty Rewards Program

What's better than enjoying your favorite products every day? How about earning GREAT discounts and FREE product vouchers while you do it?

Sisel's Loyalty Rewards Program (LRP) breaks down into two simple parts:

Loyalty Discounts

For every four consecutive months you order product while maintaining at least 100 personally purchased OV* per month, you'll earn a product credit voucher towards future purchases. The more you spend, the better the discounts!

100-199 OV = 5% of total combined OV/4 months as a Product Credit Voucher

200-299 OV = 6% of total combined OV/4 months as a Product Credit Voucher

300+ OV = 8% of total combined OV/4 months as a Product Credit Voucher

Example:

Your monthly OV:	300	Your total OV after 4 months:	1200
Percentage tier:	8%**	Voucher amount (product credit)	\$ 96

** Percentage calculated off of the lowest month's OV.

Shipping Rebate

If you maintain at least 250 personally purchased OV for 12 consecutive months, Sisel will give you a rebate voucher, in the form of product credit, that reimburses all of the ground shipping charges you incurred on orders placed in your account throughout the year!

***OV = Own Volume** (Personally purchased volume, does not include volume of Preferred Customers)
